HAVIG SYSTEMS

CAPABILITY STATEMENT

NOVEMBER 2026

Enterprise hardware sourcing and business software licensing for organizations nationwide, with on-site installation across Southern California. New, factory-sealed equipment through authorized distribution, quoted within one business day.

CORE CAPABILITIES

Hardware sourcing

Servers, switches, firewalls and routers, wireless access points, transceivers, processors, memory, GPUs and accelerators, storage, network adapters, cables and cooling. New with full manufacturer warranty by default; pre-owned or end-of-life only on request, with condition stated on the quote.

Software licensing and renewals

Microsoft 365 and Defender for Business through our Microsoft CSP enrollment, Windows Server and CALs, Hyper-V and Proxmox VE, Fortinet FortiGuard and FortiCare subscriptions, HPE Aruba Central, and backup. Seat counts checked before renewals bill.

On-site installation, Southern California

Racking, patching and configuration across the Inland Empire, Temecula Valley and Orange County. Structured cabling installation is performed by licensed C-7 partners under our project management.

DIFFERENTIATORS

- The engineer who quotes your work manages its delivery — no ticket queues, no handoffs.
- Quotes within one business day, valid 30 days.
- Part numbers, optics coding and compatibility checked against your existing equipment before anything is ordered.
- Purchase orders accepted; Net 30 on approved accounts. W-9, tax-exempt and resale certificates, and certificates of insurance on request.
